EXTRA Genetic Tests (on samples sent within the past 6 months, per sample)

We can now accept requests for **EXTRA** genetic tests on samples sent to us within the past **6 months**. We may be able to perform **EXTRA** genetic tests on samples sent 6 to 24 months ago, but we cannot guarantee this will be possible. Please contact us (genetic.tests@langfordvets.co.uk) with the cat's name, Lab Number, date of original sample submission and **EXTRA** genetic test(s) required. **Please note** - samples are occasionally used for research and development purposes and may not be available for **EXTRA** genetic testing.
